President's message by Pauline Bruno

Several weeks ago, I was invited to Fort Bragg, home of the Airborne and Special Forces. What a wonderful experience to see our men and women living and working together to protect our safety and freedom.

This is another reason to be so proud of our President. He secured the largest increase in spending since the days of Ronald Reagan. He also enacted the Veterans Choice Program, allowing veterans to receive medical treatment in private hospitals. Our men and women in uniform come first with him!

As we were told several times on our tour: "When the President calls 911, Fort Bragg answers."

Fort Bragg economically impacts its 11 surrounding counties each day with 19 million dollars. What an enormous boost for our area.

The Installation also has response times to get to any crisis in the entire world *in four hours*. Imagine! This includes men, machinery, transportation and supplies.

I am so proud Fort Bragg is my neighbor. I give thanks for our soldiers and to President Donald J. Trump for loving and caring for them.

And I'm also proud of MRW, which does so many things to support our troops at Fort Bragg and elsewhere around the world. They are worth every effort we can make!

Why we are against the Equal Rights Amendment by Mariann Benway

Proponents of the Equal Rights Amendment state that the Constitution doesn't protect equal rights for women. Anything that seems duplicative of what we already legally have in place almost always has an ulterior motive behind it.

Family Research Council's Director of Life, Culture, and Women's Advocacy, Patrina Mosley, thinks it's obvious. "Women are continually used as props to push an agenda. The ERA (Equal Rights Amendment) is not about women. It is really a smokescreen for abortion," she insists.

Judge Jeanine Pirro of Fox News fame isn't one to mince words. Her #1 *New York Times* bestseller is a withering indictment of the Deep State plot against Trump and a firsthand account of the real presidency, based on interviews with the Trump family and top administration officials.

Let's talk about "Liars, Leakers and Liberals" at the next MRW Book Club meeting!
