

Letter from the President by Maureen Krueger

It's time to start generating the Red Wave!

It may still seem like the “dog days” of summer, but the 100-day countdown to Election Night begins August 1! Absentee ballots become available in just 40 days. If we want the Red Wave to roll in when the election results are tallied on November 8, we have to get to work NOW.

Moore County, where we live, is incredibly important – our Get Out the Vote efforts are instrumental in counteracting the Dem votes in Charlotte and Raleigh. Every vote counts!

When I sat down to write this, I was only going to focus on one election. But it was like being asked to pick your favorite child – I just couldn't do it. We must work hard for all of our candidates:

- Locally, we have a chance to take back our Board of Education by electing MRW members **Pauline Bruno**, **Ken Benway** and **Shannon Davis**.
- County Commissioner **Nick Picerno** has demonstrated unfailing conservative leadership and we need to work to keep him in office.
- After winning the Republican Primary, Commissioner candidate **Jim Von Cannon** has two *unaffiliated* challengers to fend off in November.
- NC Senator **Tom McInnis** has proven to be a tireless advocate for Moore County and conservative issues. Court-drawn redistricting added swaths of democrat-controlled Cumberland County to McInnis' district, thus jeopardizing his seat in the Senate.
- The races for Supreme Court candidates **Trey Allen** and **Richard Dietz** have been ranked by the University of Virginia Center for Politics as the NC Supreme Court's top judicial races in the United States. Victories for Allen and Dietz would bring a conservative majority to our highest court. We can finally put an end to the Court using its power to legislate liberal policies that are out of touch with the values of North Carolinians.
- Congressman **Richard Hudson**, a Moore County resident and member of MRW, needs our help to keep his Congressional seat.
- And Trump-endorsed Senate Candidate **Ted Budd** is being enormously out fundraised by Democrat darling Cheri Beasley.

There is an old saying “if everything is important, then nothing is important.” While we can't pick our favorite child, we can pick a campaign (or two) to support. The NCFRW Election initiative gives us a framework for success. Fundraising, canvassing, and phone banking are just a few proven strategies. Let's put the Red Wave into motion right away so we can celebrate victory for ALL our candidates on November 8!

MRW Board of Directors

- **Mariann Benway** has stepped down as 2nd Vice President, and **Lisa Dishman** has been appointed to replace her (2nd Vice President, Membership).

Mariann will continue to be in charge of Ways & Means and Club Achievement Awards. We thank her for many years of TOP KNOTCH promotion and administration of all activities related to our members.

- **Peggy Smetana** has been named Treasurer, with **Carol Wheeldon** serving as Assistant Treasurer. Many thanks to Peggy for coming back to this challenging and time-consuming position, and to Carol for agreeing to help her.

Do you know your parental rights?

Schools are the latest political battlefield, as the Left strives to groom and indoctrinate our children.

Be proud of all your fellow patriots who are working hard to educate, persuade, cajole, resist, defend and otherwise make our country great again.

Please welcome our newest members: **Richard and Renee Hudson!**

Please report your volunteer hours

In order to achieve the Diamond Award, MRW has to report our volunteer hours to the NCFRW. Please estimate how many hours you have volunteered since January 2022 and submit them via the button below. It's a very easy form to fill out online.

Remember: When in doubt, count the hour!

MRW is reading to kids for fun!

Our reading program is going well! MRW volunteers are reading to children and getting them excited about books as part of the Moore Literacy Council's summer reading program. We read to the kids at the Hillcrest Park Summer Reading Station (Highway 22 at the intersection

of Highway 15-501, approximately 2 miles north of the entrance to Little River).

The next program is August 15, 16, 17 and 18 (Mon – Thurs) 10:30 AM – 1:30 PM. If you're interested in helping and haven't already signed up, go to [SignUp Genius](#) and write "Hillcrest Splash Pad" in the comment section.

Here come the judges!

All of us know how incredibly important it is to take the NC Supreme Court and Court of Appeals back from liberal judges. We have some fabulous candidates who MUST be elected in November. Find out more about them below.
