President's Message by Pauline Bruno

Your voice matters

Do you believe you can make a difference in this world? Do you think your actions, words and deeds matter? Or do you ever think: "What difference can I possibly make?"

Ladies of Moore Republican Women, **YOU ARE MAKING A HUGE DIFFERENCE!**

Our vocal and aggressive input is being heard. We think our voice is small and our problems are huge, but many voices together can reverse the downward trajectory the Biden administration has taken our country.

The Moore County School Board has banned Critical Race Theory 6 – 1. They have also voted not to implement the new Social Standards 7 – 0. The Board has sent a letter to Governor Cooper to remove mandatory mask wearing from students and teachers with a vote of 7 – 0. The Federal Government has removed mandatory teaching of the Critical Race Theory from education grants.

Don't ever think for one moment that it wasn't YOU that did it!

We have a crucial election coming up and a huge opportunity to change things in 2022. The work starts now! Everything we do has a ripple effect. Let's all believe in something bigger than ourselves. Inspire just one person first. This is simple, measurable and achievable. Use this as a catalyst to continue. Be the example you wish to see in the world. Good people will allow negativity to flourish by not acting. Apathy wounds the community!

Ladies and gentlemen of Moore Republican Women – go and get them!

God bless you ~
Pauline
