

Letter from the President by Maureen Krueger

Toward more common sense and less Cobra Effect

It seems like Democrat leaders are lacking common sense and an understanding of history. What President Joe Biden, his Democrat minions and media lapdogs have instead is a massive spending agenda masked in Orwellian newspeak. They blithely and disingenuously refer to their \$737 billion prodigal plan as an Inflation Reduction Act, their \$2.2 trillion spending spree as the Build Back Better Plan and their \$350 billion spendthrift scheme as the American Recovery Act.

According to economic experts at the Penn Wharton Business School, the Inflation Reduction Act will have little to no effect on inflation. The Congressional Budget Office likewise opined that this latest spending program will not reduce inflation. Americans with common sense don't need experts to recognize Democrats' false promises. All they need to do is look at their grocery bills. I did. I pulled up my grocery orders from August and September 2021 and compared them to identical orders if placed today. The comparison was shocking, with today's prices reflecting a 22% and 56% increase respectively...

...[Read more about "The Cobra Effect"](#) that makes problems worse.

A victory for election integrity

The North Carolina Rules Review Commission voted on August 24 to deny the NC State Board of Elections' petition for temporary rules to further restrict the activities of poll observers

and to grant election officials discretionary powers at voting locations.

This is a huge victory that protects the training we are doing with poll observers statewide.

Thank you to Cleta Mitchell (CPI), Lynn Bernstein (our superb Machines and Technology Team Leader), Karen Raines (Citizen Action Network), and Andy Jackson (John Locke Foundation) for their thoughtful and supportive comments during the proceeding. Their voices were heard loud and clear by the members of the RRC.

The basis for rejection in both counts was that the NCSBE failed to reach the required threshold for "findings of need." In short, the State board of Election failed to establish a fact basis to justify promulgating new rule.

**The NC GOP is still training poll observers, if you're interested in helping to

secure this election (and we NEED you!). [Sign up for Zoom training below:](#)

Wreaths Across America by Mariann Benway

It's time once again to sponsor wreaths for the Sandhills Veterans Cemetery in Fayetteville!

Moore Republican Women is enrolled in the 2 for 3 Program, where for every 2 wreaths you sponsor, a 3rd wreath will be included for the Sandhills State Veterans Cemetery.

The wreaths are only \$15 apiece. We have over 400 members, including associates. If everyone participated in sponsoring a wreath or two, we would more than reach our goal of 500 wreaths, and no veteran's grave would go without a wreath.

[Go here to go directly to the Moore Republican Women's page](#) and order your wreaths online. Press "Sponsor a Wreath button" and it will take you to the payment page to use your credit card.

There is also a mail-in form [here](#) if you prefer; however you cannot specify the Sandhills Veterans Cemetery with checks that are mailed in.

Mariann Benway will help you at the next three lunches to sponsor a wreath or you can call her at 910-489-7825 and she'll walk you through the process.

THE DEADLINE IS NOVEMBER 30. PLEASE DO NOT WAIT!

JOIN MRW MEMBERS ON SATURDAY, DECEMBER 17, 2022 AT THE SANDHILLS VETERANS CEMETERY TO LAY WREATHS. IT IS TRULY A HEARTWARMING EXPERIENCE.
