

Letter from the President by Maureen Krueger

BIDENOMICS – President Biden's Economic Crisis

"It's the economy, stupid."

This was the catch-phrase of Bill Clinton's campaign against President George H. W. Bush in 1992. According to *The*

Washington Post, President Bush enjoyed a 90% approval rating after the successful Gulf War, making him the most popular president in four decades. But domestically, concerns over a stagnating economy troubled voters. On domestic economic issues, President Bush's approval rating was poor. Clinton capitalized on voters' fear of a recession and became our 42nd president.

A recession is typically defined as two consecutive quarters of declining Gross Domestic Product (GDP). The US Bureau of Economic Analysis (BEA) announced in that the U.S. GDP shrank 1.4% in the first quarter of 2022. Do we really have to wait until the experts release their reports and opinions to understand what is going on in the economy?

Log your volunteer hours

We know that ALL of you have done something over the past few months (January - May 2022) of a political nature. Whether it's working on a campaign, volunteering at the polls, making phone calls, commenting on the Federal Register, reading about politics to keep yourself informed, and more, YOU HAVE ACCUMULATED 'VOLUNTEER' HOURS!

In order to achieve the Diamond Award, MRW has to report our volunteer hours to the NCFRW. Please estimate how many hours you have volunteered and submit them via the button below. It's a very easy form to fill out online.

MRW honors fallen heroes

As you know, Moore Republican Women reveres and honors those who have served our country. We show our gratitude in many different ways - and on Saturday, May 28, we were there (as always) at the Moore County Veterans Cemetery in Carthage with a beautiful wreath commemorating Memorial

Day.

Help a child learn to love reading!

MRW is partnering with the Moore Literacy Council and its summer reading program, Grow More Readers, to help combat the summer reading slide. We need volunteers!

There are 20 summer reading stations throughout Moore County. MRW has adopted the Hillcrest Park Summer Reading Station. Hillcrest Park is centrally located in the county on Highway 22 at the intersection of Highway 15-501 (approximately 2 miles north of the entrance to Little River).
