

Message from the President by Maureen Zumwalt (formerly Krueger)

Now is the season for reflection and a touch of nostalgia. This past year has been a political whirlwind in North Carolina, and Moore Republican Women has proven its political strength with conservative wins in every election: local, state and federal.

Our volunteers answered the call to action. From working at MRW lunches to stuffing letters to knocking on doors and working the polls, Moore Republican Women

did it all!

We have won the political races. That's an incredibly satisfying feeling. But, win or lose in the political arena, we have won with the friendships and camaraderie we built by working together towards the common goal of improving our community.

On behalf of our Board of Directors, I thank you for everything you did to support our efforts this past year, and wish you and yours a Merry Christmas and Happy Hanukah!

Maureen

Help make Hershel Walker a winner!

The U.S. Senate hangs in the balance. We need Hershel Walker to win in his runoff election in Georgia. Reports are that his opponent has raised substantially more money, but the race is very very close. It's not too late to help:

Pauline Bruno honored at Tribute to Women

Pauline Bruno was honored at the NCFRW's "Tribute to Women" on November 18. She represented Moore Republican Women, who named her our "Woman of the Year" for many reasons:

Her enthusiasm, positivity and endless energy guided MRW through Covid, increased our membership and visibility, and made positive gains in the culture war. We benefited from her innate leadership skills - whether it's a Fourth of July Parade, a Sock Hop, Candy Cane Ball, or a protest in support of freedom and American values, our members gladly follow

her inspiration.

And of course, Pauline decided something had to be done about our schools and ran a successful campaign to be elected to the Moore County Board of Education. We look forward to even more leadership and achievements in this role!

Congratulation on this honor, Pauline!

Speaking of which...

One of Pauline's first plans for School Board action is to get volunteers from the various Republican groups to come into schools and help the children with reading. A background check will be required. If you're interested in doing this, please contact [Pauline](#).

in memoriam: Matthew Hintz

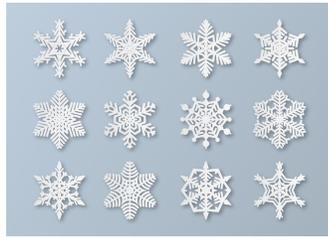

We are deeply saddened to report the passing of one of our Associate members, Matthew Hintz, on November 23. This former Army major and veteran cared passionately about our children's education and veterans' needs - and actively did something to change the status quo for the better. He became an active force in the Moore County Republican Party in the past several years.
