Contributions to Team Hudson, or to any participating Committee individually, are not deductible as charitable donations for federal income tax purposes. Contributions from corporations, labor organizations, national banks, federal government contractors, foreign nationals without green cards, and other federally impermissible sources are prohibited. The contributor’s signature designates his or her contribution to the elections described above. Contributions that exceed a donor’s contribution limit to a participating Committee or that are designated to a candidate’s primary election after that primary election has already occurred shall be reallocated to the remaining Committees according to this allocation formula to the extent permitted by FECA. Any contributor may designate his or her contribution to a specific participant Committee to the extent permitted by FECA. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of employer of each individual whose aggregate contributions exceed \$200 in an election cycle or calendar year, as applicable.
