Policy for Counting Volunteer Hours

Please take a moment to report hours spent volunteering. Estimate separate hours spent volunteering for election/political activities.

Our experience is that most members do not give themselves enough credit for all the good works that they do because being generous with our time comes second nature to us.

Thank you for all the wonderful activities that you do to strengthen our Community and our GOP.

Examples of volunteer or campaign activities:

- All campaign activities, including mailings, phone calls, computer work, and social media to benefit our GOP, candidates, and/or MRW, NFRW or NCFRW.
- Attend, prepare state or national Federation Board of Directors Meetings and Conventions.
- Time at (and travel to) municipality, precinct/ward, county, district, or state or RNC conventions or events.
- Research and development (educating yourself about a political subject, letters to the editor, etc.)
- Preparation and breakdown of a political activity
- Campaign work at club meetings, i.e. getting petitions signed, doing mailings.
- Running for office - all time spent campaigning – applies to spouses and friends, too.
